

MISSION TRIP ADULT LEADER QUESTIONNAIRE

We would like to thank-you for opening your heart to the possibility of serving as an adult leader on one of this year's mission trips. Your service will provide a life changing experience for our high school and college age students. It will also be a life changing experience for you.

We are confident that God has called us all to serve Him; however, not everyone is called to serve in Youth Ministry. We would like to help you determine that this is where God is calling you. We would ask you to be in prayer and in His word as you consider this ministry. In addition, if you have not served directly in our youth ministry in the past, we ask that you make an appointment to visit with Pastor Tucker.
